FOOT NOTE !

Dear AJ's Customers,

We have been receiving outdated order forms or PO's with incomplete color names. Because we now have a wide selection of colors on hand, we suggest you use our updated order form to avoid any confusion in your color choices. For example, we have three shades of Yellow (Lemon, Gold and Pale) and we have four shades of Blue (Carolina, Light, Navy and Royal) to name just a few. All of our color selections and available styles, as well as the newest order form, can be found on our website: www.AJsSocks.com. Now is a good time to update your records!

Please don't hesitate to contact us at the telephone number listed above if you have any questions or need additional information.
